INSTRUMENTAL RENTAL FORM 2010-2011

If your child qualifies for **free and/or reduced lunch**, and we have an available instrument (based on a first come, first serve basis), you qualify to rent certain instruments owned by the Ilion Central School District for a cost of \$20.00 a year. Cash or check made out to Ilion Central School District must be included with this form. The rental fee is good for one school year. The instrument, supplies and lesson book must be returned to the school on your child's last lesson in June. Currently, we have string instruments, low brass and a few woodwind instruments available rent. The rental year will be October 1st to you child's last lesson in June. Please complete the following form and return it with payment made out to Ilion Central Schools to your child's music teacher by October 1st.

Student's Name _____ Grade _____

School Building _____ Classroom Teacher _____

Parent's Name _____

Home Address _____

Home Phone Number _____

Work Phone Number _____

By signing this release form, I understand that I am responsible for this instrument and will return it in the same condition at my last lesson in June. If the instrument breaks, or needs repair, the school district will cover repairs up to \$75.00. Any repair over \$75.00, the parents are responsible for paying for the repair. If I can not maintain this obligation or do not return the instrument, I understand that my child may be dropped from the instrumental program and I will assume costs for repairing or replacing the missing instrument.

I am interested in playing: _____

Student's Signature _____

Parent's Signature _____

For Music Teachers Only:

Instrument: _____ Model Number: _____

Approximate Value of Instrument: _____ Instrument Returned _____

Please keep 1 copy for yourself and give a copy to the Director of Music.
